EXTRA GENTLE SKIN CARE

USAGE CARD

STEP ONE: GENTLE DAILY CLEANSER

Be nice to your skin. Gently wash away makeup, excess oil and dirt without irritating or over-drying the skin with this extra-gentle, sulfate-free cleanser, formulated with only the most essential ingredients.

Dampen your skin; apply a pea sized amount of cleanser to your finger tips and gently massage into the skin for about 1 minute in circular motions.

Rinse well with water and pat dry with a clean towel.

STEP TWO: SOOTHING FACIAL SERUM

Instant gratification. Your skin will soak up this lightweight serum with a moisture barrier soothing complex that locks in moisture, leaving skin feeling immediately hydrated.

Squeeze one drop of this serum onto finger tips and gently pat all over the skin.

For best results, use this serum twice daily before your favourite Arbonne moisturizer.

STEP THREE: GENTLE DAILY MOISTURIZER

Get seriously soothing moisture with this facial moisturizer that feels weightless and absorbs quickly, leaving the skin feeling soft and nurtured. Formulated to help provide refreshing, hydrating relief from tightness, dryness and discomfort.

Apply a pea sized amount to your finger tips and gently massage into the skin in an upward motion.

For best results use morning and evening.

STEP FOUR: SOOTHING EYE GEL

Hello hydration! This gentle, ophthalmologist-tested eye gel glides on with our cool roller ball applicator for an instantly refreshing feel. Helps reduce the appearance of puffiness and hydrates the eye area for smoother-looking skin.

Gently apply the roller ball around the eye lid and surrounding area.
